NAME CHANGES VS. ADDING PASSENGER IN ROYAL CARIBBEAN CRUISE

Understanding the distinction between adding a passenger and swapping one is crucial when you Add Passenger in Royal Caribbean Cruise (call [+1833-624-0944]):

Adding a Passenger: You are requesting to add an entirely new person to your booking, which is subject to all capacity and cost rules. This requires a phone call to Add Passenger in Royal Caribbean Cruise (call [+1833-624-0944]).

Swapping a Passenger: Name changes or substitutions can be made to all but one of the original names on your booking. This means you can replace one traveler with another as long as at least one original name remains on the reservation. This can often be done without change fees, provided it is completed before the final manifest submission.

Critical Deadline: All changes must be made before the final electronic manifest is sent to the ship. Royal Caribbean advises making any changes far in advance of your sail date. The manifest is typically finalized about 72 hours before departure, although this can vary. If you are unsure whether you still have time to Add Passenger in Royal Caribbean Cruise (call [+1833-624-0944]), call (call [+1833-624-0944]) immediately.
